Don't Forget MOTHER'S DAY

Everyone should honor Mother's memory next Sunday by observing the beautiful custom of wearing an appropriate flower, a colored blossom if she is still living, and a white one if she has passed beyond. It is a tribute to "the best friend on earth" that ought not to be neglected,

Preparations for this day always cutail heavy demands upon the florist and you should order early if you would avoid the disappointment of not being able to secure the choicest blooms.

MURRAY'S will supply your needs for the occasion from a special Mother's Day selection of 3,000 beautiful, fresh flowers—Rose, Carnations, Double Stocks, Sweet Peas, Etc., all of which are appropriate.

If you are boarding in a house with a number of others, why not club together and receive flowers for all in a single delivery! Have them come Saturdia afternoon, so they will be fresh for Sunday. Your order will receive our best attgories of the state of the state
